## **CAMP DISCIPLINE PROCEDURES**

At Clubhouse Kids, our goal is to maintain a safe and orderly environment in which your child can learn and play. An effort is made to help children understand why some behaviors are not acceptable, and suggestions for more desirable behaviors are offered. The rules are posted onsite and reviewed often with them. To ensure the safety of all participants and staff, and to provide a safe and enjoyable summer camp experience for everyone, the staff will implement a positive discipline program. Children involved in our program are expected to follow the rules and direction of the Clubhouse Kids staff. The following are guidelines used when disciplinary action becomes necessary due to unacceptable behavior. Severe behavior will be addressed by the Director.

- 1. Positive redirection.
- 2. Verbal warning for specific unacceptable behavior.
- 3. Separation from group with a warning of future consequences for repeated behavior.
- 4. Separation from group with a warning and write-up for repeated behavior.
- 5. Separation from group with a call to parent or guardian and write-up.
- Parent/Guardian conference to discuss corrective action and consequence for future incidents.
- 7. Suspension-1 to 2 days from the program and/or remainder of the day.
- 8. Repeated aggressive/inappropriate behavior with 1-3 suspensions will result in removal from the program with approval from the Director.

Clubhouse Kids reserves the rights to withdraw a participant from the program if all discipline options have been exhausted and/or demonstration of extreme behavior that may put participants and staff in danger. No refund or pro-rating of fees will be issued when a camper is removed from camp for any period of time due to behavioral issues.

## CAMP T-SHIRTS

It is very important that ALL campers and staff wear their camp shirts on days when CHK is traveling off site. Our camp shirts are bright, and it's easier to spot our campers if they are wearing their shirt, which helps them stay safe! We also require our staff to wear camp shirts, so that we can be easily spotted as well. Please make sure that your child is wearing their summer camp shirt on our field trip days. If they forget their camp shirt or lose theirs,

you will be required to buy them a new one. We will have shirts available on our first day of camp for \$15.00 each.

## SIGN IN/SIGN OUT

Parents must sign their child in and out using our time clock. Children and minor siblings are not permitted to sign anyone out. Only those individuals listed on your child's emergency form are authorized to pick up your child from CHK. Clubhouse Kids will not assume responsibility for a child who has not been signed in or out. Identification is required for check out at ALL times.

Please have your child at Clubhouse Kids by 8:45 AM each day they attend. Our buses leave promptly at 9 AM on each trip day. We cannot and will not wait for late arrivals as many of our field trips have confirmed times. Your child must be picked up by 5:30 PM. A late fee of \$1.00 per minute per child will be charged past closing.

## MEDICATIONS / ALLERGIES

To administer any type of medication (prescription or over the counter medication) we must have a signed "Medical Authorization Form" on file. Prescription medications must be in their original bottle with the current pharmacist label on it. We are very sensitive of the needs of children with food and other allergies. We will make reasonable accommodations for such individuals. Please identify the specific allergies on your child's emergency form, so that we can take the necessary precautions.

## SUNSCREEN POLICY

We strongly encourage you to apply sunscreen to your child **before** arriving at camp daily. It is also recommended that you pack a bottle of spray sunscreen in your child's bag and **label it**. Field trip and weather dependent, we will be applying sunscreen to ALL campers multiple times throughout the day. Please talk to your child about the importance of sun protection. A hat will help shield your child's face from the sun. All of our staff is trained in sun safety, as well as our camp policies and procedures.
