How To Register:

Please read **ALL** of the information on the following page to register your **child**. Registrations are taken on a first come, first serve basis and space is limited daily. Clubhouse Kids is licensed by the State of Maine.

2024-25 REGISTRATION INFORMATION

All returning and new families may register their child starting on August 29th. **No child will be allowed to register for either program until all previous balances are paid in full.**

IMPORTANT: Registrations will **ONLY be accepted by email ONLY.** After August 15th, Clubhouse Kids is closed until September 9th. Forms must be printed off of our website, filled out **COMPLETELY** and sent and received with **FULL payment no later than your child's first day.** Clubhouse Kids staff **will not accept** any new registrations on the first day our program operates (September 9th). Please do not send forms with your child and assume they can start that morning or afternoon, as they will not be allowed. This is for staffing purposes and space availability. During our first week of operation we will determine what we have for availability, if any. An email confirmation will be given. **We will also contact you before our program starts if we are full when we receive your registration.** Registrations will still be accepted after our first day as long as there is space available.

Clubhouse Kids is open before and after school only. We service children in Kindergarten through fifth grade. Your child must be five years old to attend. Clubhouse Kids will be open on Teacher Workshop Days if enrollment warrants it. A separate sign up will be available for these days. There will be sign-ups available at least two weeks before the day. At least 15 children need to be signed up for us to be open. If you are signed up, and do not send in your child, you are still responsible for payment. Staff is determined based on the number of registrations.

HOW TO REGISTER

Print off forms on our website at www.clubhousekids4me.com Fill them out completely and do not leave anything blank. If your child recently attended our summer camp program, you do not need to fill out another emergency form. If any information has changed, please update us. We need your child's **most recent** immunization records!

Send schedule/contract form, parent agreement form, emergency form, immunization records and payment to register your child. **Please scan all forms when sending by email. Do not take pictures of forms and send, as they do not print well and will not be accepted. Please put in the subject line your child's first and last name and CHK School Year Forms.** We will be receiving an abundance of registrations and this will make it easier to find and track all registrations.

You can make payment by credit card or pay by Venmo (CHK2004). If paying by credit card you will need to include your c/c number, expiration date, the CVV and zip code of card or call with your card information. **No registration will be complete without payment.** Payment due will include a registration fee of \$40 (per child) and an advance (deposit) payment of one whole week of your child's schedule. If your child will be a drop-in, \$20 is required for your deposit. **Please note, the deposit payment does not pay for your child's first week at Clubhouse Kids.** Payment is due by the first Friday they attend the program. We accept check, cash, Venmo and credit card once the program starts. **Rates have changed! New rates are listed on the previous page.**

PARENT HANDBOOK

Please read carefully and become familiar with our policies before signing up your child. New policies have been added and some updated. It is important that you are aware of all of our policies and procedures and understand them fully.

Please **DO NOT** drop off your registration or payment at the Central School Office. We will not receive them as we are not part of the school. **Email to us directly.** Any questions? Please call Shelly at 837-0479.
